

DAVE JOSEPH

VIRTUAL ASSISTANT

ABOUT ME

I have over 2 years of experience in the BPO industry and 1 year as a Virtual Assistant specializing in data entry, data organization, and administrative tasks. I am skilled in maintaining accurate records, managing databases, and ensuring data integrity while working efficiently under deadlines. My experience in customer service and collections has also developed my communication and problem-solving skills. I am detail-oriented, organized, and dedicated to supporting business operations through accurate and efficient data management.

WORK EXPERIENCE

Virtual Assistant

Data Entry / Cold Calling / Appointment Setting (Freelance) | 2024

Responsibilities: I conducted outbound cold calls to generate leads and schedule appointments for clients. I managed calendars, organized meetings, and coordinated with sales teams to ensure smooth client interactions. I performed accurate data entry, maintained CRM records, and built rapport with prospects while handling objections professionally.

Rope Vai

Collections Representative (Financial Account)

Responsibilities: I handled inbound and outbound calls for credit card, loan, and overdraft accounts, including cold calling to delinquent clients. I processed payments, discussed account debt information, and updated customer account details. I offered payment arrangements and settlements, coordinated with repossession departments, and worked with third-party debt consolidation companies to resolve accounts. In the Admin Collection team, I supported managers in reviewing and approving settlement offers, processed close and revoke requests, and reviewed loan accounts for potential payment arrangements. I responded to debt consolidation companies, coordinated with other departments for issue resolution, and assisted frontline agents with escalated customer inquiries. I also managed customer payments and addressed billing questions over the phone, ensuring smooth resolution and excellent client service.

Convergys

Customer Service Representative (Telco Account - Sprint)

Responsibilities: I managed large volumes of incoming calls, providing accurate and complete information using appropriate tools. I identified and assessed customer needs to ensure satisfaction, handled inquiries related to billing and payments, and performed basic troubleshooting. I followed communication procedures and policies to deliver consistent customer service.
